

Slim Duo Gel Keyboard Wrist Rest - Blue

Ergonomic comfort for low-profile keyboards.

K62441WW

Product Description

Professionals using low-profile keyboards without proper ergonomic support may experience wrist strain and discomfort. This can negatively impact their productivity and overall comfort.

The Slim Duo Gel Keyboard Wrist Rest offers a suite of innovative features that work in harmony to help professionals work more comfortably and productively throughout the day.

A gel-infused pillow supports the natural curvature of wrists for proper positioning, while an innovative ventilation channel keeps hands cool and dry while typing. The dual tone colour scheme brings a burst of colour and personality to any workspace, with the soft, easy-to-clean finish ensuring lasting durability.
