

GBC Velocity Lamination Roll Film 125 Micron Gloss

For a high-quality, professional finish, GBC 125-micron film rolls are an excellent choice. These easy-to-load roll films can laminate up to 70 x A4 sheets, making them ideal for documents that are frequently handled—such as ID cards, flashcards, and training materials—while also enhancing items like certificates that benefit from a more polished and durable presentation. The thicker 125-micron film provides added rigidity and a premium feel, making it suitable for both everyday use and more formal applications.

Attributes

- Film roll length 22.9m for laminating up to 70x A4 sheets.
- Easily laminate signs, schedules, teaching & training aids, banners and more.
- Protect and preserve your documents with a high gloss finish to keep colours bright and bold.
- The 125 micron thickness protects your documents whilst retaining flexibility.
