Wireless Combo MK520

A sleek set that puts convenience and control comfortably at your fingertips

- Elegant, sleek, full-size keyboard with whisper-quiet Logitech® Incurve keys™, palm rest and stand-up storage
- Hand-friendly, contoured, ambidextrous mouse with precise cursor control
- Up to three-year keyboard and one-year mouse battery life*
- Logitech® Unifying receiver
- Logitech® Advanced 2.4 GHz wireless connectivity

The Logitech® Wireless Combo MK520 puts convenience and control comfortably at your fingertips – whether you use a laptop or desktop. The sleek, full-size keyboard gives you the room you need to type comfortably, while the concave Logitech Incurve keys™ cradle your fingertips. The full-size mouse offers smooth, precise tracking and feels good in either hand – hour after hour – thanks to its hand-friendly, contoured design with soft rubber side grips. And your desktop is hassle-free with up to three years of battery life for the keyboard and one year for the mouse*, a tiny Logitech Unifying receiver that you can plug and forget, and Logitech Advanced 2.4 GHz wireless connectivity.
