Product information

This fully dipped nitrile coated glove with foam nitrile coating in the palm area provides comfort and touch sensitivity. An elastic knit cuff holds it firmly on the arm for enhanced fit. The nitrile coating offers excellent liquid barrier while the superior foam dip ensures excellent grip even in oily environments.

Aqua Gloves

The ultimate barrier to water, liquids and non-aggressive substances. The Aqua range includes both highly water resistant and water proof gloves.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwest's extensive range of Hand Protection products....
