

Sax Waste...

The Numatic Sax waste system is well known but has now been joined by an improved heavy duty, pedal operated unit.

Structurofoam base, 80mm castors, Nutex powder coated tube work and grip tight bag system - ideal for static or fully mobile use.

NX-1001...

The NX-1001 is a Numatic original and a favourite for more than 20 years. Available in a choice of 5 colour waste bags, allowing colour coded use and which can also be used with standard 120-litre poly waste bag liners.

Sax-120P Waste Unit

Accepts PolyBags

Easy to move, easy to fold - the perfect answer where storage space is at a premium, you won't find better!

Xtra Compacts... Carousel Range... Compact Twins...

The clear thinking behind the Compact series is to provide sufficient space and facilities in a small, mobile unit to house all the normal cleaning paraphernalia that staff require when going about their duties.

Each model is based on our heavy duty Structofoam chassis, fitted with rotating protectors to each corner.

XC-3 Storage & Movement

Two models provide a choice of convenience mopping facilities for spot cleaning, all have a full 120-litre lidded waste unit and a pair of pails. The XC-3 provides maximum storage space.

Robust, mobile and convenient but equally compact both in use and in storage.

The Carousel is an original concept providing a series of facilities in a classic round design. Easy to use, easy to move, easy to change and easy to store.

Carousels are the perfect example of small being beautiful with a 5 model choice; two with spot mopping; one for twin waste only; one for waste and storage and one for 4 caddy storage.

NC2 Twin Waste

NC4 Caddy

NC3 Caddy & Waste

NC0 Spraymop Master

NC1 Twistmop

No system could be more simple or more convenient than the Carousel especially when space is at a premium.

Designed to provide space saving answers in super strong but smaller sizes.

Twin waste, twin linen, twin laundry modules have always been the most popular in

commercial establishments and due to the common dual end design, twin splits are also possible incorporating waste/laundry or laundry/linen, etc

NSX240 Poly Waste Bags

LLT200 Washable Linen Bags

Twin Sax A compact mobile twin 120-litre waste trolley, fully lidded providing excellent capacity for normal waste collection and disposal.

Twin Linen The same Structofoam chassis and lidded superstructure but designed to take 2 full 100-litre washable linen laundry bags. Bags can be easily colour coded.

Twin Bags There are 101 applications where mobile bags are required, especially within the hotel and care-home environment.

Even our bag system is unique - easy to remove, easy to close and easy to move.

NBT200 Laundry Bags
