## Product Description

Smart looking and functional, the Prostyle+ SC shredder provides everyday security via simple, effective Strip Cut (P-2). It takes 7 sheets a time and has a compact 7.5 l bin holding up to 50 sheets. This general security, strip-cut shredder will destroy confidential documents quickly and easily. And that includes credit cards, staples and paper clips too. With Prostyle+ SC you can reduce confidential papers to pieces of 5.8mm in moments. Fast and easy: this highly efficient shredder can handle up to 7 sheets at a time, including fiddly staples and paper clips, so you don't waste valuable time removing them by hand. It can even destroy credit cards and make them impossible to reassemble. It's so simple to use: just feed in the paper and shredding starts automatically then stops when the job is complete. Practical: An ergonomic carry-handle make the Rexel Prostyle+ SC easy to move around the home. Small and compact, it will fit neatly under a home office desk or sit on a central kitchen unit for quick and easy access. The bin is simple to empty, with a 7.5-litre capacity, this bin can hold up to 50 sheets. Safe: overheating is a thing of the past thanks to a sensitive thermal switch that switches to cool-down mode when it detects heat overload, making this shredder the ideal choice for the home where safety is key. The Rexel Prostyle+ SC comes with a 1 year warranty with an additional 3 year warranty on the cutters so you can purchase with confidence.
