

Xtra Compact

XC1 & XC2

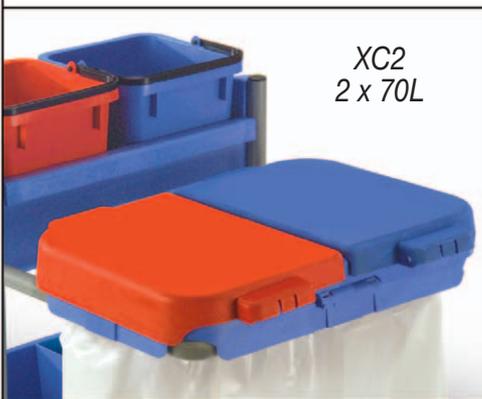

The ideal choice of service trolley where space is at a premium but where the need for limited mopping facilities is essential.

The construction is based on our uniquely strong Structofoam chassis, fitted with non-marking 75mm (3") castors, rotating buffers, Nutex epoxy coated superstructure, two deep tray units, a pair of 6-litre colour-coded pails and a full size deep 18-litre mop pail fitted with 200g basket to suit the majority of standard mops of this size. The Bactiguard Twistmop with its anti-bactericidal specification will be much appreciated in use.

The XC-1 is fitted with a full size 120-litre waste unit that accepts 700 x 1100mm waste bags, whereas the XC-2 is fitted with a twin 70-litre colour-coded waste unit suitable for two 575mm/1000mm waste bags, allowing for simple onboard waste separation.

XC1
1 x 120L

XC2
2 x 70L

Optional
Bactiguard
Twistmop
200g

Model	Top Tray	Small Pails	Mid Tray	Large Pail	Castors	Waste Bags	Size
