

AVM0-series LCD Monitor Arm Stands

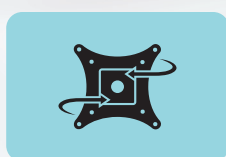

The AVM0 series are our very first monitor arms. With minor improvement in the past 10 years, it remains one of our top selling monitor arms. The key feature is the modular design so customers can easily customize and upgrade a stand.

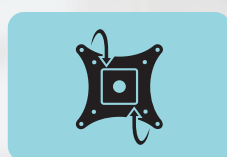

- Fits most 15" to 27" screens up to VESA 100x100 AND 6kg weight (extension arm sections maybe required)
- Tough metal construction with quality powder coating
- Tilt up/down 30°, pan left/right 90°, and rotate landscape / portrait
- Optional longer poles, extension arms, iPad adapter, laptop/keyboard trays
