- orange - pink - red - lime - dark green - purple

Made of Genuine Premium Pressboard, Iderama products are coated with a plastic film and therefore combine the advantages of pressboard (eco-friendly, lie-flat format) with the benefits of polypropylene (moisture and tear resistant).

Maxi-capacity folders are made in one piece and have the same capacity as a 35mm filing box.

Resistant and hard-wearing, these 3-flap folders are perfectly adapted in the office or at school.
