Product Description

With more than 20 years of expertise creating professional-level ergonomic solutions, Kensington has created the SmartFit Dual Monitor Arm Mount. It allows you to add a second display to your desktop, which studies have shown can have a significant impact on daily productivity. With two fully adjustable arms that hold up to 24" monitors, you can use our patented SmartFit system to find your optimal height setting to reduce neck, back and vision strain. It assembles in minutes, letting you quickly get back to what's important.

Features

- SmartFit® System allows you to find your personal comfort color within 4 height regions for optimal ergonomics
- Monitors attach via 75mm or 100mm VESA-compatible mounts
- Cable management system helps neatly route cords for a clutter-free desktop
- Assembles to the edge of the desktop via grommet clamp in just minutes
- Compatible with displays up to 24"; maximum 25 lbs. per arm
