Α	TOP (1)
В	UPPER SHELF (1)
С	SHELF (3)
D	UPPER END (2)
Е	LOWER END (2)
F	SHELF SUPPORT (10)

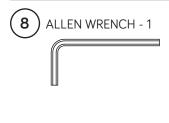

Hardware Identification

F Screws are shown actual size. You may receive extra hardware with your unit.

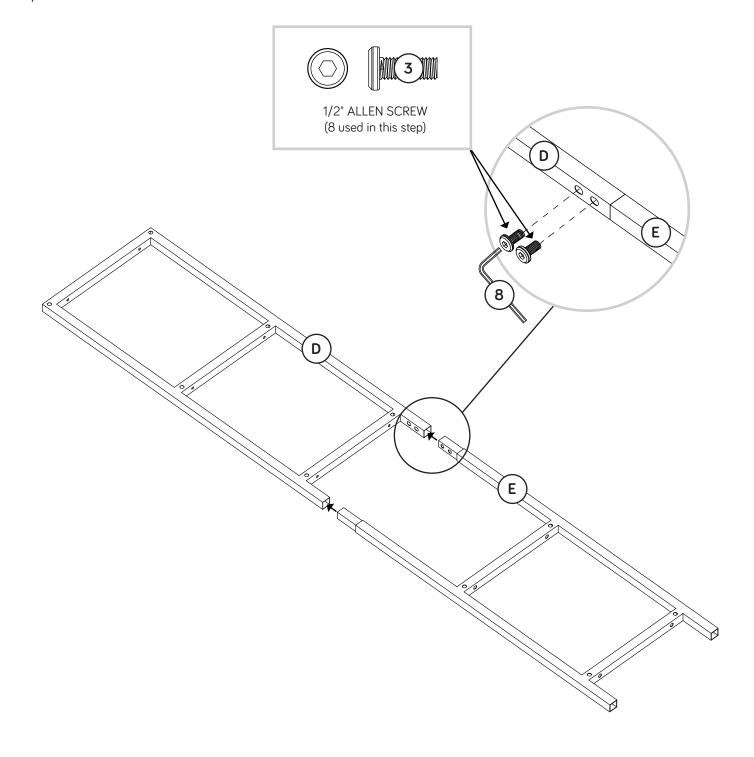

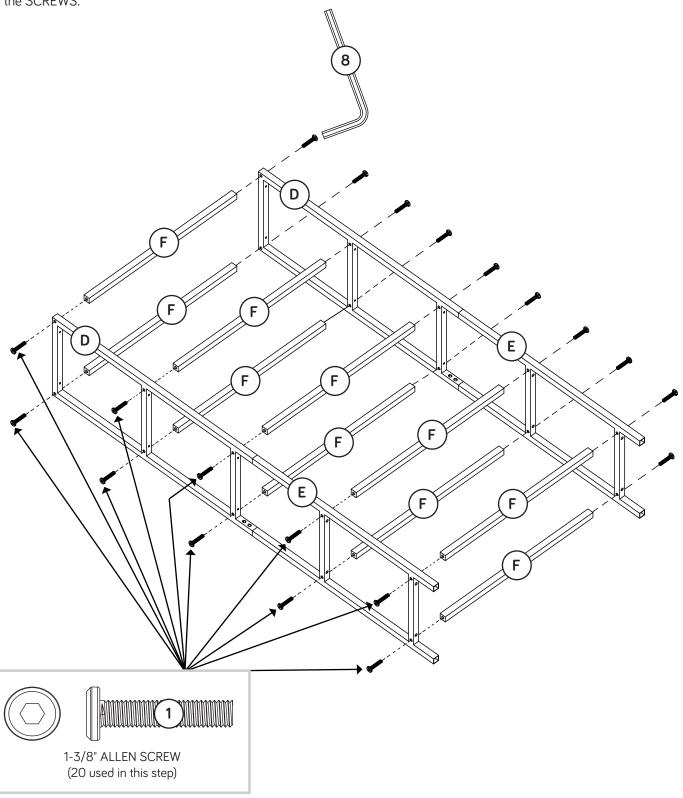

- Assemble your unit on a carpeted floor or on the empty carton to avoid scratching your unit or the floor.
- NOTE: You should start each SCREW a few turns before completely tightening any of them.
- Insert the LOWER END (E) into the UPPER END (D).
- Then, fasten the UPPER END (D) to the LOWER END (E). Use four 1/2" ALLEN SCREWS (3) and the ALLEN WRENCH (8).
- Repeat this step for the other ENDS (D and E).

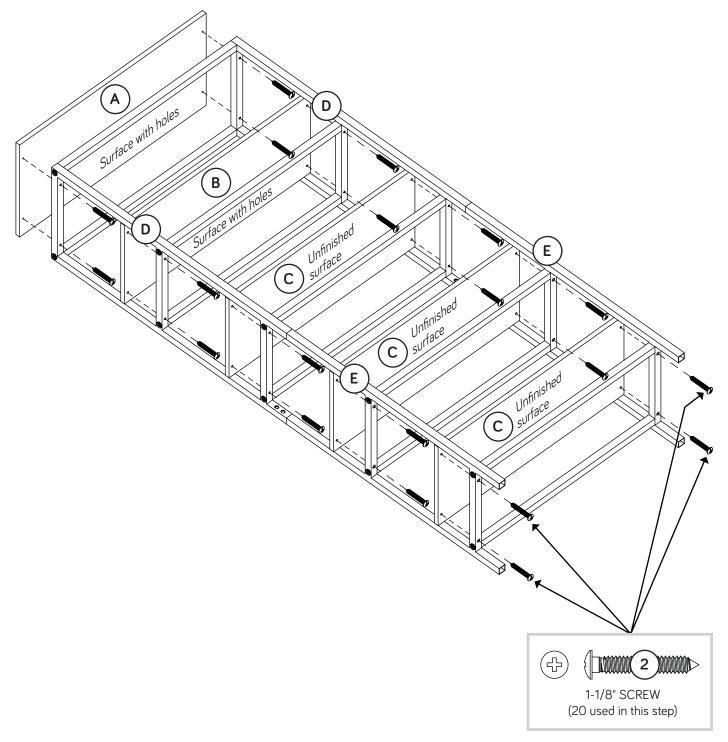

- NOTE: You should start each SCREW a few turns before completely tightening any of them.
- Fasten the ENDS (D and E) to the SHELF SUPPORTS (F). Use twenty 1-3/8" ALLEN SCREWS (1) and the ALLEN WRENCH (8).
- NOTE: Be sure to square up the SHELF SUPPORTS (F) to the ENDS (D and E) before you completely tighten the SCREWS.

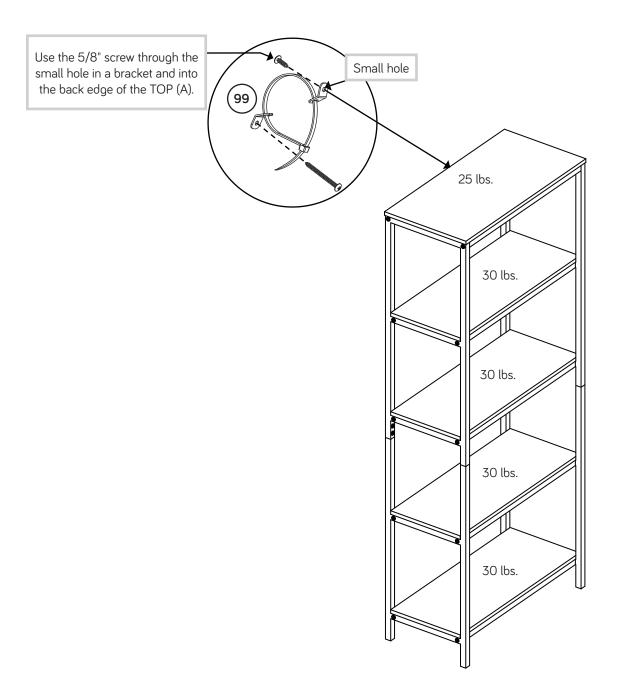

NOTE: You should start each SCREW a few turns before completely tightening any of them.

- Fasten the TOP (A) and SHELVES (B and C) to the ENDS (D and E). Use twenty 1-1/8" SCREWS (2).
- NOTE: The TOP (A) is larger than the SHELVES (B and C). The UPPER SHELF (B) is finished on both sides. Be sure to position these parts exactly as shown in the diagram below.
- NOTE: Do not overtighten the SCREWS.

- Carefully stand your unit upright.
- We recommend using the FURNITURE TIPPING RESTRAINT KIT (99) for added stability. Fasten a bracket to the back edge of the TOP (A) using the 5/8" screw as shown.
- ▼ Place your unit in its final location against a wall.
- Follow the instructions included in the KIT to fasten your unit to the wall.
- NOTE: Please read the back pages of the instruction booklet for important safety information.
- This completes assembly. Clean with your favorite furniture polish or a damp cloth. Wipe dry.

▲ WARNING Please use your furniture correctly and safely. Improper use can cause safety hazards, or damage to your furniture or household items. Carefully read the following chart.
