

# SPRAY & WIPE WITH BLEACH

## USES

A ready-to-use cleaner designed to remove stains, mould, grease and soap scum etc. from sinks, basins, worktops and bathroom tiles.

## DIRECTIONS

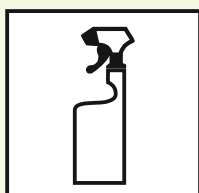

Apply to the surface, allow product to soften soil, agitate and rinse away.

For tougher stains and mould, allow a contact time of up to 10 minutes before wiping off and rinsing with water.

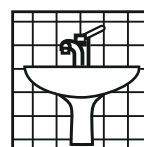

### DO NOT USE ON VITREOUS ENAMEL OR ALUMINIUM.

Spray & Wipe with Bleach has a bleaching action. Test a small inconspicuous area before use. Staining may occur on fabrics, carpets, clothes and curtains.

DO NOT mix with other cleaners.

## AREAS OF USE

Sinks

Kitchens
