

RINSE AID

- Sparkling finish
- Prevents spots and hazing
- Suitable for all types of glass and dishwasher machines

USES

A rinse additive for all automatic dish and glass washing machines. Prevents spots and hazing on crockery and glassware, leaving a sparkling finish.

Rinse Aid is mildly acidic to neutralise detergent deposits.

Suitable for use through automatic dosing equipment or by manual dosing.

DIRECTIONS

Feed into the machine through the automatic dosing system if one is fitted. Otherwise add to the rinse cycle at a dilution rate of 1 part *Rinse Aid* to 600 parts of rinse water.

AREAS OF USE

Plates / Cutlery

DILUTIONS

RINSE AID : WATER	1:600
