igenix

The Igenix IG2082 20 Litre digital microwave in white will compliment any kitchen - comfortably fitting a standard size dinner plate. With 800W of microwave power, 6 power settings and a 60 minute timer, it will handle all of your cooking, reheating and defrosting needs. There's an automatic defrost setting, meaning all you have to do is input the weight of the food and the microwave selects the ideal defrost time, saving you time and effort.
