Model Number
Product Code
Features
Spin Speed (rpm)
Drum volume (It)
Max dry load capacity (kg)
User Interface
Twin Jet System
•
Pyro Jet System
Motor type
Full graphic display
Capacitive Touch Buttons
Eco-Logic system
Foam protection
Unbalance control system
Overflow protection
Control system
Failure detection system
Child lock
Temperature adjustment via button
Spin speed adjustment via button
Delay time adjustment via button
LED (7-segment)
LCD Display
Remain time
Door lock indicator
Child lock indicator
Pump filter to clean indicator
Cut of water indicator
Water inlet
Door lock type
·
Eco Time Feature
Detergent dosage proposal
Buzzer
