Line width:	2 – 3 mm			
Article no.	Writing colour			Internal no.
126505	yellow			407407
126506	orange			407408
126509	pink			407409
126510	light blue			407410
126511	light green	407411		
126549	white	407412		

Figure: Art.-No. 126549 (writing colour white), Art.-No. 126506 (writing colour orange)

Components		
Barrel:	Ink:	
Used material:	Filling per pen:	6.9 g
Polypropylene (PP) Polyethylene (PE) Polybutylene terephthalate (PBT) Spring wire V2A Glass	Water-based ink, containing dyes/pigments and additives.	

Indication for security and environment	
Barrel:	Ink:
Hazardous ingredients None according to EU directives	The information in this section is based on the safety data sheet according to Regulation (EC) No. 1907/2006 (REACH). All stated contents are provided in percentage by weight.

	<p>Hazardous ingredients</p> <p>None according to EU directives. The product is not classified according to the CLP regulation.</p> <p>Additional information for the writing colours yellow, orange, pink and light green:</p> <p>EUH208 Contains 1,2-benzisothiazol-3(2H)-one. May produce an allergic reaction.</p>
<p>Flashpoint: none, melting point ~120 °C</p>	<p>Flashpoint: not applicable</p>
<p>Solubility in water: insoluble</p>	<p>Solubility in water: miscible in all proportions</p>
<p>Indication: Plastics are dyed with cadmium-free pigments.</p>	<p>Contact with skin: No irritating effect. Wash with water and soap, do not use solvents.</p>
<p>Extinguishing media:</p> <ul style="list-style-type: none"> • Water spray • CO₂ • Dry-chemical fire extinguisher • Foam 	<p>After swallowing: Rinse mouth with water. In case of persistent symptoms consult doctor.</p>
	<p>After eye contact: Remove contact lenses. Rinse opened eye for several minutes under running water. Then consult a doctor.</p>
<p>Disposal: Environmentally friendly. No contamination of air or ground water in combusting plant. Empty refills can be disposed off with daily garbage considering local regulations.</p>	<p>Disposal: <u>Europe</u> According to local regulation, ex. to dispose of as colours. European waste catalogue "Code 080111".</p>

The information in this product data sheet refers to commercial quantities of finished products. It may not be always applicable for materials and preparations used for industrial processing.

The above mentioned data are based on our today's knowledge. They don't guarantee characteristics. Users of our products have to consider present laws and regulations in own responsibility. This product data sheet is not subject to an updating service.

Schneider has been certified as the first company of the writing instruments industry since 1998 after the world's most stringent environmental management system EMAS.
