Description

Classic wiping paper can struggle with certain cleaning tasks, but our multipurpose Reflex™ Wiping Paper is strong and absorbent enough to handle both surface and hand wiping. Take the hassle out of refilling with our handy run-out indicator, which lets you plan roll changes in advance. This industrial paper roll works with our Reflex™ single-sheet centrefeed dispenser to minimise cross-contamination risks. Use it to reduce consumption by up to 37% compared with the freeflow Tork Wiping Paper Plus. The light brown colour comes from using recycled cardboard boxes as one of the fibre sources. No dyes are added in the paper-making process.
